Curbside collection for Household Trash and Recycle Materials begins at 7:30 a.m. on the day of service assigned to your street and will be collected no later than 6:00 pm. If there is an unforeseeable delay, collection will resume the next working day. If unsure of the day of collection for your street, ask a neighbor, go to <a href="http://www.kerrvilletx.gov/DocumentView.aspx?DID=7406">http://www.kerrvilletx.gov/DocumentView.aspx?DID=7406</a>, or call Kerrville Utility Records at 258-1504. Do not mix Household Trash with Recycle Materials or Yard Waste; mixing will cause a disruption in service.

**Household Trash** curbside collection is <u>once a week</u> on the day designated to your street and consists of solid waste derived from household residential units. Household trash **does not include yard waste, hazardous waste, or home construction debris** (i.e. sink, vanity, tub, toilet, cabinet, cement, bricks, shingles, etc.). The trash container may be placed at the curb after 8:00 p.m. the night before the collection day, but must be removed by 10:00 p.m. on the collection day.

<u>Household trash container requirements</u>: 20 to 45 gallon container constructed of plastic, metal, or fiberglass with container and contents not to exceed 45 lbs. Trash collection personnel are <u>not responsible for emptying contents</u> sticking to the walls of the container. Plastic bags can also be used with the bag and contents not to exceed 35 lbs and with sufficient wall strength to maintain integrity when lifted.

**Recycle Materials** curbside collection is <u>once a week</u> on the same day as household trash and consists of paper products (newspaper, magazines, direct mail, cardboard boxes), number 1 or 2 plastic containers, rinsed unbroken clear or brown glass, rinsed aluminum or tin cans. Paper products will only be collected on dry days; do not place for collection if rain is in the forecast. Cardboard boxes must be flattened and not exceed 2 ½ft by 4ft.

<u>Recycle container requirements</u>: only blue plastic recycling containers supplied by the City of Kerrville, City Hall, 701 Main Street, shall be used for collection of recycle materials. The container shall be maintained and cleaned by the user, and the contents are not to exceed 25 lbs. **Do not place items in plastic bags, as they will not be collected.** 

Yard Waste curbside collection is <u>once a month</u> on the same day as household trash collection and consists of bagged leaves or grass clippings (25 bag limit). Yard Waste also consists of cut brush and limbs; stumps, roots or shrubs with no dirt; limited to 6-inch diameter and 6-foot length (2-cubic yards limit, do not tie or twine together, stack neatly with cut ends facing curb, do not place in sidewalk or street). The 2-cubic yard limit (2-cubic yards is equivalent to a small pick-up bed filled to 4 ft high from the bed of the truck) will be strictly adhered to with excess volume documented and the customer subject to City Ordinance code enforcement action. Yard waste generated from natural disasters are the responsibility of the property owner, however, in the event of a Federally-declared natural disaster, assistance may be available.
